from Upadhyaya Narasimhaiah

Local Gyanasta of the
Parakulabaswami Mutt at
J. Narasipur

In 1895 Adhyapakka

1420 }
of 2nd May 1895 }
Srinivasa Lingar and
a few ^{other} Srinivasas of
the Lingayat Sect petitioned
the Dewan, stating that the
Geyser idol that had been
conserved in the Lingayat
Narasimhaswami Temple
had been lost some years

years before and praying
for the consecration of a
new idol in the temple. In
subsequent reminder petitions
they stated as the chief reasons
for their prayer, that in
the said temple, Jear and
Desikar were granted equal
Tasdik amounts from the
Government, Tirumakshatruks &c
being performed in honor of
both the Acharyas; and
that the late Division Commr
of Ashtogran had in 1878
given them an Endorsement
that they should apply
to Government after sanction

2. All these petitions
having been referred to the
Dy Commr of the Mysore
District for disposal
that officer reported after
local enquiry, that the

old records on the subject
showed that a similar
~~of~~ prayer of the Lingale
people had been ^{once} rejected
by the Superintendent of
the Ashboogum Division
in 1861; ^{and} that the District
Magistrate Officer had, in
pursuance of the orders
of 1861, also declined to
grant the petitioners' prayers
in 1877
on the ground that the
Vadogale had been
raising objections ever
50 years prior to that date
With these observations he
submitted the result of
his enquiry for the decision
of the Magistrate.
In the meanwhile a Counter
- petition had been received
in this Office from the
Vadogale

Vadogale sent protesting
against ~~the~~ permission being
granted for the consecration
of a new Jee idol, which,
they said, had been prohibited
by H. H. the late Maharaja
Krishnaraja Wodeyar Bahadur III
in the year 1860, by the
Chief Commissioner in 1860,
by the Division Commissioner
in 1861 and by the District-
Magistrate Officer in 1876.

Similar petitions had been
addressed by them to H. H.

The Maharani - Regent and
to the Dewan had also been
referred to this Department
for disposal.

points, the Magistrate sent

 they desired, have a new

5. A separate petition
without date, ~~at~~ and (but received
in the Dy Commr's Office on
the 8th November 1898.) had,
in the meanwhile been
addressed to the Deputy
Commr by the Vadugale

that the Engales, assisted
by the Engale Shikhar

had begun the construction

prohibitory orders on the
subject. This petition was
forwarded to the Auditor
on the 22nd idem for report.

But before the Auditor
took any action on this
complaint petition, the
Ingals appeared to have
completed the construction
of ~~the building~~ ^{the building} and
consecrated the new geyser
idol therein on the 24th
November 1898, that is

 the Magistrate passed the

7. In continuation of
 the above orders, Mr
 Maudslah sent a Russian
 order also, on the same
 day, asking the Amherst
 'until final orders,
 not to permit the conse-
 - cration and other cere-
 - monies nor any other

8. The Russian Asst-

 visited the place in com-

 orders, and took down
 statements from the
 parties concerned, on
 the 17th, 18th and 19th Dec: 1908.

the building of the temple
and if so, whether he
had obtained the Dy

In reply he stated in his ~~reply~~ no

that he had given verbal
permission, recording at
the same time the fact
on the petition of the parties
concerned; that the
site belonged to the Sri
Narasimhaswami Temple;
that he did not think of
either issuing written orders
to the parties or of the
necessity of obtaining
the sanction of the Dy Cm

9. In submitting these
statements

statements and the Builder
 Mr. Sundara Rajingar's
 explanation to the Dy. Commr.,
 the Mysore Asst. Commr.
 Mr. Rajingar has observed
 that the Builder had
 exceeded his powers in
 having granted permission
 to construct the new building on an objectionable site,
 without the orders of his
 immediate superiors,
 and in spite of his having
 known that there had
 existed disputes for the
 past 50 or 60 years regarding
 the conservation of a Ganga
 idol, and in spite of the
 express orders that the
 conservation should take
 place in an unobjectionable
 site. He further observed
 that

11. Orders having been
issued in terms of the
above on the 26th July
1900,
Singachar and others
of Singale sent appeal
to Government against
the same. In forwarding
the appeal petitions to the
Dy Commr for submission
of the entire records on
the subject, the late
Mysore Secretary observed
in his Pukani no 753 dated
23rd April 1900, that
pending disposal of the appeal,
the execution of the Dy Commr's

Subject were reviewed

but the matter was reserved

13. The Bengalis had,
in the meantime ^{been} raising
the question of giving the
Tasdik amount of the
Jeager Simmakshatam
to the new Jeager temple.
Their argument in this
direction was that after
the missing of the ^{old} Jeager
idol from the Sri Guja -
Narasimhaswami Temple
all the honors ^{at Swami's} due to Jeager on the Jeager Simmakshatam
used to be ^{day}
~~now~~ shown to Ramnagaracharya
for

for Jeyar; and that
 as a Jeyar temple had
 been newly established
 as per permission granted
 by the Muzrai Surtay,
 the Surtik & prescribe
 for Jeyar had to be
 transferred to the new
 temple. The Dy Commr
 having been thereupon
 to furnish information
 to this office as to how
 the Surtik amount, if
 any, fixed for ^{the} Jeyar
 Simmakshatram in the
 Ganga Narasimhaswami
 Temple, was being utilized
 that officer replied in
 his Report No $\frac{86}{1778}$ dated

May 22

31st May 1900, that
 the Amildar's report that
 it was ascertained from the annual Surtik amount

of Rs 1-4-3 fixed for the
Jyeshtha Simhashtami,
together with the Endowment
amount invested by the
devotees therefor, was, on the Simhashtami day,
being utilized in the
Ramanujacharya's Samidhi
& that
for Jyeshtha, Gandharvadi
Utsavam would take
place the next day - The
Dr. Currier was however
of opinion that the question
of granting the Endowment,
allotted for the Jyeshtha
Simhashtami in the
Ramanujacharya's Samidhi
Temple to the new Jyeshtha
as recommended by the Amildar,
Temple, would have to
be disposed of, after
a passage was opened
between the new temple
and

and the Temple of
 Jambhavanthi, as
 had been ^{already} ordered by
 him (Dy Commissioner)
 because the consecration
 of a new Jeeper idol
 had taken place without
 the permission of Govt.

Dated 11th July 1900

Slav 2

14 The Muzrai Sankar
 thereupon passed an order
 that this question should
 stand over till the dis-
 -posal of the appeal re-
 -garding the burning of
 a passage between the
 two temples. As regards
 the appeal petition of the
 Jangales he passed an
 order on the 28th Jan'y
 1901
 approving of the Dy Commr's
 decision but ^{he} did not-

issue the order until the temple was personally inspected by him. Before however, inspecting the temple as intended, the fragment of the Dandi comment to the temple was ordered, with the observation that the question, whether it was necessary to leave a passage between the two temples as ordered by the Dy. Commr., would be considered later on.

15. The order of the Mangani Society does not seem to have been given effect to, as there were appeals against this order from the Vadnagade Taluk.

In the present petition, Appanthya Narasimhaiah, Parakkala Mutt Gurus at G. Narasimhaiah, state that-

the Sri Ganadharaswami

That before the disposal
of the appeal regarding
the ^{new} building itself, the
Late Nayai Supt had
~~decided~~ ordered the
payment of the annual
Tasdik to the ^{temple} Geyzer ^{now}
under dispute ;

That an appeal had
already been pending
before Government, pro-
testing against the
payment of the Tasdik
to the idol in question ;

That Geyzer Sine -
Nakshatra Atsuvu comes
off

on the 13th of this month
 and that ^{they} (the persons
 interested) are contemplating
 to use the Tassik amount
 for the newly consecrated
 Jeyzer and to bring the
 Jeyzer and the Sri Nara-
 -simhaswami in procession
 along the streets

and that the using of the
 Tassik amount for this
 purpose and to celebrate
 the Utsavum is against
Mamool and will give
 room for breach of the
 public peace -

The petitioner therefore
 prays that until the
 pending questions are
 finally decided, the

 char's Samidhi (which
 is in the Sri Ganga Nar-

16. The questions now
 pending disposal in this
 case are : -

About having
 passage between the two
 temples viz Gauradama
 Swami and the Jeezer -
 (as decided by the Dy Commr)

ii About the utilization
of the Jeyar Sanki

for the Jeyar idol newly
consecrated (as ordered by the late Muzrai Sree)

iii About the alleged
abuse of Jeyar,
which the S.O. & S.O.

is now complained of by the present Petitioner

and 3, I think that considering
the short time before the
Tirunakshabram, the fact
that several important
questions ^{are} now pending
disposal, regarding the
new Jee temple, and the
factions prevailing in
T. Narayana, an order
should be issued directing
a strict adherence to the
manual of the past years
without permitting any
innovation whatever.

That is to say, that the
Jee Tirunakshabram should,
as usual, be celebrated
in the Ramanuja (Jee's)
Sanadhi in the Guaya
Narasimhaswami Temple
as heretofore, (without the
presence of any idol to
represent the Jee), and

that ~~no~~ parading of the
 God or of the Jee should
 be allowed in the streets

ABSTRACT

State that Vadapale custom has been prevailing in the temple here from time immemorial - that formerly when the attempt was to establish and consecrate the idol of a Jugga against Maund the Vadapales submitted a petition to His late Highness the Maharaja of Mysore that on the bright fortnight of Ashada of the year Karavati that stating that the idol should not be established against Maund and that if they did so the idol should be removed & that they also submitted petitions to the High Court Division & District authorities in the matter - that the report received from the Commr. No 2501 of 7-60, and the report of the District

and also... 31
8-5-4-76 from the Mugrai Officer that the
'idol of the Jigar which gives rise to dispute
should not be established - that in the face of
these cross inscriptions for the present the
Amildar of the Taluk who is a temple and
particularly interested in the temple. That sect having
taken some pictures from certain men of that sect
submitted a recommendation to the Dy. Commr. for
the establishment of the idol of a Jigar - that the
latter officer on going through all the previous
references, pointed out to the Mugrai Superintendent
that the idol was not in existence since 1855 and
that it should not be established again - that about
400 months ago the Mugrai S.D. also expressed
that the idol should not be established - that
since then the Amildar without the sanction of the
higher authorities and threatening people of the other
sect with criminal prosecution built a temple
in the compound of the Jamaradana temple and
has commenced to decorate - establish and dignify the
idol of Jigar - that while the Jamaradana temple
belongs to Kphlanasa Agama the Amildar is
of the sect of a Jigar established by a Shole
of Pancharatan - that he has told of the Poon
to give help in the matter - that he is determined
to let the Jigar be established to the place where
the idol is established - that this is against manual -
that Jigar custom has never been in Vogue
in the temple - nor is it customary to let the
idol be in the temple - that
the Amildar is inflicting this affected it would
be liable to disturb an account of these two sects - that
to have brought this to the notice of Govt. before hand
the Amildar kept a stop to the anticipated disturbance -
that the Amildar is removed to another Taluk
the Jigar has been up and partially will be proved -
that a well separated the Jamaradana temple from
the Jigar temple it has caused obstruction to perform
the Jigar - that the Jigar to be removed. All.

23rd April 1900 from Linga
Chur and another of Lingale

against the order of the Dy Commr
of the Mysore District, directing
a passage to be left between
the Ganardanaswami and
the Jeyya temples at the said
place -

31st May 1900, from the Dy
Commr, submitting the records
connected with the appeal.

And Petition no 125
dated 4th November 1901 from
Upadhye Narasimhaiah and
certain other Sri Vishnavas of
Vadagale seet at G. Narasipur

stating that some of the
Suryashivas of Durgah sect
are contemplating to celebrate the ensuing
the Jayar Tirumakshatram
by means of Utsavam to Jayar
idol, against ~~mamoodh~~.

Order No. 613. Dated 9 Nov. 1901

The facts of the case are :-

An annual sum of
Rs 1-7-3 is provided in the
Tasdik Pakki of the Sri Jayar-
-Narasimhaswami Temple at
J. Narasimha for Jayar
Tirumakshatram. There was
a Jayar idol in this temple
about 66 years ago, but in
1835 the idol was ~~damaged~~
or ~~other~~ lost, and it has not
been replaced by another since
then - Though the idol was lost
the Tasdik ~~was~~ amount was

still continued and the usual

ceremonies on the Gimmekshabti

day ~~was~~ ^{usually} were performed in

the Sri Ramanujachari's Sami-

-dhi, which is in the Ganga-

karasimhaswami temple

premises.

~~the within the temple premises.~~

The same practice continued ^{has}
up to 1841
~~continued~~

2. In 1878 certain residents

of the place belonging to the

Tengale sect, petitioned to

the then Commissioner of

Ashtagram Division, applying

for permission to the conse-

- cration of a new gear idol.

but they were informed by

means of an endorsement,

that, as there ^{was} ~~was~~ ^{gear} no idol
1845

in existence since 1835,

permission could not be

granted for the consecration

of a new idol, and that they

should wait until His Highness

the

Maharaja took up the reins of
government into his own hands,
and then represented.

In 1895 they repeated
their representation to the late
Muzrai Superintendent, and
he decided that in as much
as there ^{had been no} ~~was no~~ idol in existence
since 1835 in the Sri Jyoti
Narasimhaswami Temple,
permission could not be
granted to the consecration
of a new ~~of~~ idol within the
temple premises - but that
however if the petitioners
were willing to have an idol
consecrated at their own
cost in an unobjectionable
place outside the temple premises
they might do so.

In accordance with the
above

above order of the Mysore
Superintendent, they undertook
the construction of a new building
near the Janardanaswami
temple (also a Mysore District)
and consecrated therein a
new Gauri idol. ~~But in the~~
Meanwhile, some of the resi-
-dents of Vadugale set com-
-plaint ~~that~~ against the
consecration of the new ~~Gauri~~
idol and also represented
that the new building ~~which~~
constructed near the Janar-

the passage around the
temple in question. The Dy
Commissioner (Mr. Madhuk) there-

residents of the place have appealed to Government - and the appeal is now pending disposal.

5. In March 1899 some
of the Engale people, that under-
took the ~~construction~~ consecration
ceremony of the new gear idol,
initiated by the late Nagai
Superintendent, praying for
the transfer of the ^{annual} Fusdik
amount of Rs 1-4-3, which
was fixed for the gear Timmakshatram
in

- Swami Temple, in the name
of the newly consecrated Jee
and Mat. Officer, in March
1901
passed an order complying
with the prayer of the petitioners.

6 In the present petition
read above, received from
Abundhya Nussimbachar and
others, the petitioners state that
the ~~the~~ appeal regarding the
required passage between the
two temples has not yet
been disposed of; that
before the disposal of the
appeal regarding the new
building itself, the late
Muzrai Superintendent
ordered the transfer of the
Jasdik amount in the

gear; That another appeal
has already been pending before
Court protesting against the
payment of the Tassik to the
new idol in question; That ~~from~~
gear Simmakshata Utsavam
comes off on the 13th of
this month, when the persons
interested are contemplating
to ~~see~~ having the new gear
in procession along the
streets, against removal.

7 Final orders regarding the
the question of

leaving a passage between
the two temples is attended to
above will be passed after

the personal inspection of the
spot by

by the D_2 Secretary in
charge of the Mysore Deptⁿ.

8. As regards the con-
templated absence &c
on the day of the ensuing
Girnakshatram, which
comes off on the 13th inst^t,
considering the short time
before the Girnakshatram,
the fact that several
important questions are
now pending disposal
regarding the new gear
temple, and the factions
prevailing in D. Narasimha
Govt deem it expedient
to direct on the present
occasion, a strict-

adherence to the manu
of the past years, without
permitting any innovation
whatsoever. That is to say,
the usual ceremonies, which
used to be performed at
the Sri Rameswathar's
Sannidhi in the Sri Ganga
Narasimhaswami Temple
on the year Tirumakshatnam
day, may be performed
as heretofore, at the said
Sannidhi (without the
presence of any idol to
represent the year),
utilizing therefor the usual
amounts granted or
endowed for the celebration
of the Tirumakshatnam
The Dy Commr should

should -

as will prevent any
parading of the God or
of the Jeer in the streets
on the present occasion

9 There is no objection
to the devotees of the new
Jeer temple performing
any special Puja or
other celebration of the
Jeer's Tirumukshatnam
at their own cost - within
the precincts of the said
temple, and without
any utsavam or parading
of the Jeer idol in the
streets.

10. The Tungal people
concerned should

should be informed
that, pending the decision
of the several questions
relating to the ^{new} gear temple
foot- consider it un-
-desirable to make any
departure from the
existing manual this
year.

H. Ramannujengar Esq.,
Offs Dy Commr.,
Mysore.

Dear Mr. Ramannujengar,

I am sending with this, by special messenger, an order regarding the celebration of the Jee's (Tengali Acharyas) Juvina Kshatram at J. Narasimha on the 13th instant. I am desirous to request you to take immediate action this very day in the matter and to see that the orders are implicitly carried out, and that not the least departure from the existing Manual is allowed. The parading in the streets of the Temple God or of the Jee should not be permitted as it is likely to lead to a breach of the peace in the state of party feeling (between Tengalians and

Vadagalais) that exists in the town of Narisipur. Needful precautions in the way of Police arrangements should also be taken.

The object of the present reference is simply to see that on the present occasion, no cause is given for disturbance or tumult, while the several questions relating to the new Jee temple are still pending disposal with the Govt. The people of the Jengalai party may be assured that the pending questions will all be taken up and disposed of soon, but that in the meantime a strict adherence to the Manual has been considered necessary in the interests of the public peace.

It is for you to consider whether it would not be well

send an

to D. Narsipur to see that everything passes off quietly.

Kindly let me have an immediate reply as to the action taken, and a full report after the occasion has transpired

I remain,
Yours sincerely

will be good enough to proceed to

till the 13th Instant and see that
the Jeer Tirunakshatram ceremonies
are carried out in strict accordance
with Manual. The Manual will
be found clearly described in
para 8 of the Government order.

What the Temples might observe
on the occasion in connection with
the new Jeer Temple is described
in para 9 of the same order. In
both these respects I am confident
that Mr. Kumarasamy will
enforce a scrupulous adherence
to the Government instructions

to them to mis understand the pro-

I anticipate that the occasion will

however from any unforeseen cause
a breach of the peace be apprehended
